ABOUT THE EXHIBITION

India's premier trade show dedicated to smart home & office technology, bringing together leading brands, innovators, and solution providers. Future Home & Office India Expo 2026, a hub for architects, designers, and tech professionals showcasing the latest innovations in smart home and office technologies. From AI-powered assistants to energy-efficient solutions, explore how intelligent technology is transforming homes and workplaces. It also facilitates networking, knowledge sharing, and business opportunities which in turn help business growth. The event also helps to accelerate the adoption of smart technologies, fostering innovation and business development in a rapidly growing digital market.

Smart homes & offices are evolving with AI personalization, sustainable energy optimization, and unbreakable security and these innovative solutions that make life safer, more efficient, and more comfortable. The Smart Home & Office India Expo is your gateway to intelligent living
